COMICS VALUES MONTHLY

Attic Books, Ltd. P.O. Box 38 South Salem, New York 10590

Dear Comics Values Monthly Reader,

Publishers clap as their sales demand increases. Dealers cheer as hoards of enthusiasts wipe out their stock. The new collector shouts for joy to find their favorite Saturday television star can now be read in comic form. Even the comic investor smiles a cheshire grin as these prices climb and climb.

This new factor in Comiscs is T.V. The hows and whys of these new sales is still not totally understood by the experts. All they can say is that the comics sell. One dealer told they sell out quickly and we can't easly replace them. How can we then judge what is a winner and what is not?

First and obviously there is a n ever tappable audience of children ten to thirteen years old and changing every year. Each child finds his fanatasy when entering , as in a trance , the world of cartoon T.V. This part of the television industry has has been exploited years by toy manufactures. Now comic publishers have discovered this great new market.

All this is not a new concept over 120 TV comic book series have been issued starting in the 1950's. Most of the popular T.V. series had a comic series issued. Hanna-Barbera through Gold Key also entered the comic book field but also with a limited sucess.

What has changed this quesinable past market? G.I. Joe. A comic presented T.V. character in the tradition of the super hero, wonderfully adapted by Marvel into its world of story telling. We all know what what has happened with G.I. Joe the comic and the end of this story is not in sight. The Values still go up. New collectors enter this field of collecting each day because of G.I. Joe.

The Japanese have also discovered the show portraing thier popular style art with Robotech through Comico. These comic prices are also increasing rapidly. Spin off comics already are being sucessfull. Now Thundercats has caused a new rumble. Entering the major media market in September it is now the #1 animated T.V. show in the nation. Toy related sales are estimated at 300 million in 1986.

Now with all this said and done Jim Baine of Wilkie's Wonderfull World in Halifax, Canada says he is Mystified, they dont sell at all for him, of course he added, they Arn't on T.V. here either. Unfortunetly the Canadian kids haven't had their chance on Thundercats. T.V. is the factor.

Watch the T.V. waves for new hot series- and HOt comics, but beware of the Neilson ratings.

Yours Truly,

Alex G. Malloy

FUTURE PICKS

Date line March 1986

- New artist to watch is reported to be Craig Hamilton. He did the mini series of Aquaman

- Early issues of New Teen Titans seem to have slowed down- The Baxter series however is still doing well.

- Watch D.C.'s Shadow by Howard Chaykin closley- Very Hot- Dealers report this is the best selling D.C. since Crisis- Recomendations is to make sure you have this one or certainly more if you are so inclined.

- Values of the later Turtles have slowed probably do to higher production, size but the early 1st printings are still rising. The new role playing game is selling at an incredible rate- quanties equal to the book in some areas.

- Marvels Punisher is selling fast and at new high levels. This interest is flowing over to all Punishers appearences-

- Anticipation for Dark Knight is strong and dealers are experencing a strong early response-

- Thanks and good picking -
